

CPR/AED & First Aid Certification

Course Overview

This course teaches adult CPR, AED, and First Aid. This is a classroom, video-based, instructor-led course that teaches students critical skills needed to manage and respond to a first aid, choking or sudden cardiac arrest emergency in the first few minutes until emergency medical services (EMS) arrives.

Prepare for the unexpected with first aid training. Students learn skills such as how to treat bleeding, sprains, broken bones, shock, frostbite, and other first aid emergencies.

Our convenient, affordable course can help your organization become OSHA compliant - and provide care when it's needed most.

Overview of Course

- 4 Hours of Training
- Certification Card good for 2 years
- Reference Book Provided
